**Parent Information  
For the week of  
8.7.23 -8.11.23**

Jaguar Community,

This will be the first whole week of school for students! They had a great 2 days as they learned where their classes would be around campus. We will be setting expectations and following through this week.

**Cell Phones** – Students should not have their cell phone out during classes. They also should not have ear buds in at all during classes. If they do, they will be asked to put away. If a student refuses their technology will be confiscated and can be a parent pick-up. Please talk with your children as don't want to have to call parents to come pick up.

**Free Dress Passes –**

Many students have asked if they can use their free dress passes already. YES! They need to come to the office for a wristband. The wristband keeps us all consistent and we can keep track.

**Upcoming Events:**
