For the week of

1.8.24 – 1.12.24

Jaguar Families,

Welcome back to school in this new calendar year! I hope everyone had a wonderful 2 weeks off to rest, recharge, and be together. Students know the expectations of Valencia and how to be successful at this point. 222 students earned honor roll for quarter 2. As you set family and personal goals working with your Jaguars to set their academic goals will help them start 2024 strong.

Students should check their Student Vue daily to view grades, assignments or communication from teachers. There were schedule changes based on benchmark testing and student support. We want EVERY child to be successful. Have your child share their Student Vue, this is a great way to have your middle school student talk about their plans for the new quarter.

Weather – The weather has become very cold, dropping below freezing at night. Please make sure your child dresses appropriately. The mornings are so cold. At Valencia we open the gates to campus by 7:30AM but indoor areas are not open until 8:30AM for students. On really cold days we do open the cafeteria at 8AM.
