Parent Information For the week of

11.13.23 - 11.17.23

Jaguar Families,

Thank you for your continued support of everything we do here in Jaguar Territory. We are at the ½ way point through the quarter. Progress reports are being worked on by teachers and will be able to view by Monday of next week.

Students should be able to tell you how to look up their grades. Reviewing grades with your child is a great practice. As a parent what I found worked for me was reviewing every Wednesday. My own children had to open their Student Vue, then we would sit down and discuss. If they had missing assignments, I would have them advocate by sending an email to their teacher. It took time, effort, and my own children were not always happy to complete the check. The time that we spent doing that has paid off as my two oldest are in college and must advocate for themselves constantly.

December 1st we are having a Career Fair at Valencia if you have a business, we would LOVE for you to talk to students about your business. Please see the attachment.
