

# ALL ABOUT JAGUAR HIKING CLUB

**Hi there! We're so happy you're here!**

Ms. Pitts and Mx. Espinoza welcome you to Hiking Club! We live in a very special place called the Sonoran Desert. It is truly one of the most unique places on Planet Earth. In Hiking Club, you will learn about our desert and be able to identify plants and animals. You will learn about your own body and nutrition, while understanding how people have been thriving in this area for tens of thousands of years!

**Hiking Club will meet every Tuesday in E-13. Hikes will occur Saturdays starting in late October through April!**
