Parent Information
For the week of
9.16.24 - 9.20.24

Jaguar Community,

This week is conferences. If you want a conference and have not had one scheduled yet, please call the office at 520-908-4500. Leave a message with your child's name, grade, and your phone number so we can call you back with a conference time.

Socia Media Threats:

Schools need your help. Social Media threats are a new scary reality that we consistently face. Every threat is taken seriously, investigated at the school level, and with law enforcements. These threats scare EVERYONE. IF there was ever danger to students at Valencia, we would cancel school. We are all here and my own children are at schools, also dealing with a day of school threats.

Children often cannot process a trauma like a school threat, so they laugh and joke about the situation. In a child's mind they might even think it is funny to add additional social media threats out into the social media world. It is not funny. Right now, children are receiving adult consequences, for joking about a real situation, and adding additional fear to the social media world.

What a parent should do if they hear or see something, call the office. Let us know. Do not send out or pass on to your friends on social media. Do not send to your kids. Sending to your children makes them feel unsafe. You can also notify the police department. We are in this together and are investigating EVERYTHING.

On campus we are all here. Deputy Calkins, SRO, is here talking with any student who are nervous. Cameras are up and running. Classrooms have happy kids learning as administration has been in lots of rooms. Pictures are being taken for picture day.
