III. Principal's Report

Valencia is currently a D, but we expect to be a C when the school grades come out at the end of the month. Since we are a D school we have Project Momentum.

Additionally, we are an AVID school, offer ALE classes, and have 21st Century. We currently have three Exceptional Education classrooms. The current staffing consists of 38 Certified staff, (1 position unfilled) and 2 teachers are in the certification process. We currently have 19 classified which are all filled.

Based on an enrollment of 567 students Valencia has 39.2 FTEs. FTEs are covered by MNO – 34.8, Certified Title 1 - \$230,000 –1- Certified 1- Classified Deseg - 1.2 certified and AVID – 1.2 Certified

We are under needs improvement, but we are not forgetting the progress and success thus far. We had highest average overall growth in math among middle schools and tied for 3rd in average overall growth in ELA among all middle schools.

In September we had 39 major violations from students compared to 69 major violations the previous year.

Valencia has implemented the no cell phone policy per state law. Students may not use their phones during the school day unless a teacher approves their use for an education activity in the classroom and it must be in the lesson plans.

The last day of the quarter is October 2 and the first day of the second quarter starts on October 13. October 28 we will be holding our annual Trunk or Treat. There will not be any students on campus on October 29th because of professional development for teachers.

IV. Call to the Audience
