**IV. Principal's Report**

Valencia is officially a C school now. Student enrollment has increased and is expected to continue to increase. If it continues, Valencia will receive more Title 1 funding in our budget. Misbehavior is down 65% from two years ago and discipline issues are down 41% from last year. Last year Valencia was in the red for fights, drugs, and racial issues. This year we do not have any red.

The Winter concert was held outside this year and was a huge success. Student council sold popcorn and hot chocolate. Parents gave a lot of positive feedback about the event.

Valencia currently has a long term substitute English Language Arts teacher, a certified Art teacher, and a long term substitute for sixth grade Social Studies. Additionally, Valencia does have two teachers out on maternity leave.

The I-Ready test showed growth and for most students it was 20% or higher.
