For the week of

**5.16.22 - 5.20.22 = 8 school days left**

Jaguar Community,

Only 8 days left in the school year. We want all students to finish strong, but they need to be checking their assignments daily. Teachers do need time to grade once they receive a late assignment so students may not get an immediate grade change.

We are so proud of how far the student's have come in such a challenging year.

Last week we had (check-out social media for pictures @Valencia\_Jags):

- End of the year projects
- Valencia's new turf
- End of the year performances
