Parent Information For the week of 8.23.21 – 8.27.21

Jaguar Community,

Students are starting to get into the swing of school. They should have homework and be able to tell you all they are learning about in classes. We are starting to get back to normal with middle school sports starting this week. I am proud of the students for adjusting so well.

NO School Thursday, 8/26 for Teacher Professional Development Day. School will resume on Friday.

Students have been doing a lot of testing lately because we are finding their strengths & weakness so that teachers can adjust as last year was a hard year. Valencia teachers are working to ensure your child is successful.
