Parent Information For the week of 9.7.21 – 9.10.21

Jaguar Community,

Thank you, parents, for attending conferences! Together we will support your middle schooler grow and mature into the person they want to be, which is why I love middle school. We have so many ways for your child to be a part of this community which is highly encouraged. Humans need connections. Middle school students need it even more so when they have that with their teachers and community they start to blossom.

During the day teachers provide lots of ways for students to engage in the lesson. We have sports which makes more students feel connected. In the next couple of weeks clubs will start (during 21st Century): student council, poetry, PBIS, Choir and MESA. More information will be coming out but please encourage your children to participate.

Continuing to support our community, this Saturday, September 11th from 10AM – 7PM, Valencia will be a vaccine clinic location. Please read attachments.

- **Bell Schedule** – Regular bell schedule this week.
- **IDs** – **Students will need their ID for buses starting TODAY!**
- **COVID testing ON-SITE** – If you are not feeling well but don't know if it is allergies or worse you can go to the health office to get a rapid COVID test. If you do have COVID symptoms, please do not come to work.
- **SEL lessons with Counselors** – Families, counselors have been in the social studies classrooms giving lessons the last couple of week. This week the 6th grade counselor will be finishing up lessons. Lessons have focused on cyber bullying, friendships, self-advocacy and how to be successful in middle school.
- **TUVA Students** – Students can register for TUVA starting 9/9 if they are interested they need to call the office for directions. If students are at TUVA they can return to Valencia on that date but also need to call the office at 520-908-4500.

Upcoming Events:
